

Dear Karl,

I could not be happier with the job done by your team in remodeling my kitchen. It is exactly what I had in mind.

You and your team's attention to detail and willingness to go above and beyond to make sure I was happy with the result was well noted and rare in business.

I hope you will consider adding this letter to your ongoing collection of happy customers; I have some advice for those shopping for a kitchen remodel-er and those that might read this letter: "If your talking to Cameo Kitchen's, why are you talking with anyone else?"

My kitchen is beautiful! Thank you!!

Best regards,

Andrew McKenna
