Dear George;

Bob and I would like to thank you and the entire Cameo team for our beautiful kitchen. We could not be happier with the final outcome. Everyone we contacted assured us our Cameo kitchen renovation would be complete in just 5 weeks . . . just the same it was fascinating to see you pull it off. When you are not able to use your kitchen, every day counts. It was reassuring to know the exact date that we could move back in. Cameo truly has the process down to a fine science.

Your crew is fantastic. Luis, our on-site installation manager, as well as Gabriel, Andrew, and the other workers were extremely professional, master craftsmen, and a pleasure to be around. They arrived on time every day, even in the snow, and always came with a smile and in sufficient numbers to accomplish the tasks for the day. All were willing to listen to our questions and take ownership of our concerns until they were resolved. Luis' tile work is a masterpiece. Thanks, too, for recommending Malou at Mosaic Tile to us. She was truly a lifesaver with her expert advice. Everyone who visits our kitchen takes a moment to comment on the beautiful tile layout recommended by Malou.

George, it was very reassuring to have you stop by often during the work to ensure everything was going smoothly and keep us informed of how the work would proceed. Luis also was terrific leading us through every step of the process and we appreciated his suggestions on the many details that comprise a successful kitchen renovation.

Finally, we are very grateful that we had Tammy there for us from the very beginning! She knows the process, and expertly translated our lengthy list of wants and needs into a brilliant technical solution. She was extremely patient responding to our questions both prior to and during construction.

We highly recommend Cameo to anyone who wants a beautiful new kitchen with a minimum of hassle. Thank you for a job well done!

Sincerely,
