

Dear Lee,

We want to thank you for our amazing kitchen! Each day we are more pleased with it as we realize that your knowledge and wisdom provided not just for what we thought we wanted, but also what you knew we would enjoy. It is a tremendous addition to our home! And, we find it the perfect place for casual entertaining.

Lee, without you we would not have this kitchen! Our lives are too hectic for a remodeling, but you made it seem so easy! You and the "Cameo team" - and Carl of course - are "the best." Thank you!
Don and Sharon
